

THE TOWN OF
RHINEBECK · NEW YORK

FOUNDED 1686

March 16, 2020

Rhinebeck Town Hall will be open but offering limited services. By Executive Order of the Governor of New York we are working with a skeleton staff.

Members of the public are restricted to the main lobby area, where we have placed drop boxes. Please leave forms, applications, plans, etc., in the boxes. Staff will process them and, if necessary, mail paperwork back to you. If you have any questions, please contact the relevant department—phone numbers are on the drop boxes.

We are working hard to balance our necessary service to the public, the requirements placed on us by Dutchess County and New York State, and our desire to protect our staff and the public. Town Hall phone is 876-3409

Thank you for your patience and understanding.

Elizabeth Spinzia, Rhinebeck Town Supervisor
