**Zoning and Comprehensive Plan Committee Charge**

“The Town Board hereby establishes said Committee to identify, assess, analyze, discuss and recommend potential changes and revisions to the Comprehensive Plan and Town codes regarding rural roads and environmental and sustainability issues as may be required to bring the Town up to date on current trends and best practices and policies that address issues and opportunities found in the Town today. In this regard, the Committee shall be permitted to work with, and seek advice and input from, other agencies such as the New York State DEC Hudson River Estuary Program and the Cornell University Cooperative Extension for Dutchess County.”

Additional details about the Committee can be found in the March 21, 2022, Town Board resolution viewed [here](#).
