The Town Board will determine if the vacancy is to be filled; whether the position is to be filled as a full-time, part-time, temporary, or seasonal position; and determine if the position is funded with appropriations. Thereafter, the Town Supervisor will contact the Dutchess County Department of Human Resources to confirm that the job title is approved for the Town of Rhinebeck or, if the job title has not been approved, to request that the agency commence the approval process.

2.1.2 Notification of Vacancies: A position vacancy announcement will be posted on the Town's official bulletin boards and the Town's website. For certain positions, the Town Board may determine to advertise the vacancy or use other means to create a group of applicants.

Thereafter, the Town Supervisor, or designee, will check the employment references of final applicants.

2.2.1 The *Rules for the Classified Civil Service of Dutchess County* pertain to employees of the Town of Rhinebeck. As the civil service agency for all local government entities within Dutchess County, the Dutchess County Department of Human Resources conducts civil service examinations, establishes and maintains eligible lists for filling positions, classifies positions, reviews and approves appointments and personnel changes, maintains employee roster records and position records, certifies municipal payrolls, and advises appointing authorities on Civil Service Law and Rules.

2.3 Oath of Office

2.3.1 Town Officer: Each Town Officer as defined in the Town Law and the Public Officers Law, must take the Oath of Office in accordance with Town Law Section 25 and Public Officers Law Section 10, which must be administered prior to commencing the duties of the position and be filed in the office of the Town Clerk within thirty calendar days of commencement of the term of office. An employee who is a member of a collective bargaining unit should refer to the collective bargaining agreement on failure to complete the probationary period.

2.5 Seniority

2.5.1 Service Seniority: Whenever seniority is to be used in making an employment decision, seniority will be determined by the employee's length of continuous service with the Town of Rhinebeck.

An employee who is a member of a collective bargaining unit should refer to the collective bargaining agreement on the definition of seniority.

2.5.2 Computation of Seniority: For the purpose of calculating the length of service of a full-time employee, one year will be credited for each year of service beginning on the employee's initial date of hire as a full-time employee.

2.5.4 Leave of Absence: An employee will not accrue seniority while the employee is on an approved unpaid leave of absence beyond thirty calendar days or while the employee is in layoff status beyond thirty calendar days. Such leave will not be considered as a break in "continuous service".

2.6 Performance Appraisal

2.6.1 Purpose and Criteria: The purpose of the performance appraisal is to recognize an employee's achievement of performance standards and goals, identify and correct performance problems, encourage career development and growth, and set goals for the next appraisal period. The performance appraisal will take into consideration the employee's work quality, job knowledge, initiative, attendance, teamwork, conduct, communication skills and such other criteria that properly reflect the employee's performance.

2.6.2 Frequency: A formal performance appraisal will be conducted annually for all employees who are not in a collective bargaining unit. Informal evaluations may occur throughout the year. Thereafter, the Department Head and the department liaison from the Town Board will meet with the employee to review the performance appraisal report.

2.7.3 Change in Status: An employee must immediately notify the office of the Town Supervisor of a change of name, address, telephone number, marital status, number and age of dependents, beneficiary designations, and who to notify in case of emergency.

2.7.4 Employee Access: A current employee may review and copy the contents of the employee's own personnel file; however, access to certain documents may be limited, for example: an employee may not have unrestricted access to attorney work products, confidential memoranda, letters of reference, and unsolicited complaints. A current employee may review the contents of the employee's own personnel file by submitting a written request to the Town Supervisor. Someone authorized by the Town Supervisor must be present when the employee inspects the file. An employee may not copy, remove, or place any material in the employee's personnel file without the approval of the Town Supervisor.

An employee who is a member of a collective bargaining unit should refer to the collective bargaining agreement on access to personnel files.

2.8 Corrective Action and Discipline

2.8.1 Policy Statement: It is the policy of the Town of Rhinebeck that certain rules and regulations regarding employee and appointee behavior are necessary for the benefit and safety of all employees and appointees, the efficient operation of the Town, and the delivery of services to residents of the Town. Any conduct that interferes with operations, that discredits the Town, or that is offensive to residents or other employees and appointees will not be tolerated. An employee or appointee must conduct oneself in a positive manner so as to promote the best interests of the Town.

2.8.2 Counseling: Counseling employees and appointees, rather than initiating formal disciplinary action, may be the appropriate first step in addressing misconduct or performance deficiencies. The purpose of counseling is to inform the employee or appointee of the misconduct or the performance deficiency, deter its recurrence, and inform the employee or appointee of the consequences if the conduct is repeated or the performance is not improved. The counseling will be documented in writing and the employee or appointee will be required to acknowledge receipt by signing the memorandum.

2.8.3 Discipline: Depending on the circumstances, the Town will normally apply “progressive discipline” which may include, but is not limited to, a written reprimand, suspension without pay, demotion, or termination of employment. Notwithstanding the above, the Town has the right to discipline employees and appointees without engaging in progressive discipline if the situation so warrants and the right to impose penalties in any manner it deems appropriate.

2.8.4 Investigations: In most situations, an investigation will be conducted by the appropriate Department Head or other designated person. Unless otherwise authorized by the Town Board, employees and appointees who are participants in an investigation are not to disclose the content or particulars of the investigation. All employees and appointees are required to fully cooperate in the investigation and respond truthfully to all questions. Failure to cooperate and to be truthful may subject the employee or appointee to appropriate corrective action. The Town has the right to suspend an employee or appointee, with or without pay, while an investigation is conducted.

2.8.5 Due Process Procedures: Employees covered by **Section 75 of New York State Civil Service Law** will be disciplined in accordance with the procedures contained therein.

An employee who is a member of a collective bargaining unit should refer to the collective bargaining agreement on the subject of the disciplinary procedure, wherein the negotiated procedure is the only method of resolving challenges to disciplinary action and wholly replaces the provisions set forth in Section 75 and Section 76 of New York State Civil Service Law.

An Accident Report from the police must be submitted to the Town Supervisor.

3.7.5 Town Vehicle Maintenance: Employees are responsible for maintaining Town vehicles in a neat and clean condition at all times. Papers and garbage must be removed from the vehicle at the end of each trip. Vehicles should be maintained in a safe and secure condition when not in use. It is the employee's responsibility to notify the Town Supervisor of any needed maintenance or repair work on a Town vehicle.

No advertisements, signs, bumper stickers or other markings of a political or commercial nature may be displayed on Town vehicles at any time, except those of a limited community service nature that have been authorized by the Town Board.

3.7.6 Policy Violations: Violations of this policy may result in loss of vehicle driving privileges and/or disciplinary action, up to and including termination of employment.

3.8.3 Suspension of Driving Privileges: An employee's driving privileges may be suspended for receiving an excessive number of traffic citations, regardless of whether the citations were received while driving on Town business. If an employee's driving privilege is suspended and the employee's position requires use of a vehicle, the employee's continued employment with the Town may be affected, including termination of employment for inability to perform the duties of the job.

3.8.4 Requirement to Possess a Commercial Driver's License: An employee who operates a vehicle which requires a Commercial Driver's License (CDL) must maintain such license throughout employment.

3.8.5 Loss or Suspension of Commercial Driver's License: An employee who is required to possess a Commercial Driver's License in order to perform certain job duties and responsibilities must immediately notify the Town Supervisor in the event the employee's driver's license is suspended, revoked, or if the employee is otherwise disqualified from driving. The loss or suspension of the employee's driver's license may affect the employee's employment with the Town, including termination of employment for inability to perform the duties of the job. In accordance with the federal Commercial Motor Vehicle Safety Act, an employee who is required to possess a Commercial Driver's License must notify the Town Supervisor within thirty calendar days of a conviction of any traffic violation (except parking) no matter where or what type of vehicle the employee was driving.

During office hours, each employee is responsible for there being at least one employee in the department or office to answer telephones. If the department or office has a limited staff, arrangements must be made with another department or office for telephone coverage or an answering device must be in operation.

An employee may not make personal calls on a Town "land line" or a Town cellular phone, except in an emergency or to check briefly on family matters.

An employee must reimburse the Town for any call that results in an extra fee.

In accordance with Town Resolution 2018172, certain employees who must be reachable at all times can choose to use a Town-supplied cellular phone or receive reimbursement for a personal monthly plan approved by the Town Board upon submittal of their month bill. PART 4 ABSENCE POLICIES

4.1 Attendance

4.1.1 Tardiness: An employee must be ready and able to work at the time the employee is scheduled to begin work. In the event an employee is unable to report to work at the scheduled time, the employee must notify the appropriate Department Head or supervisor as soon as possible **before** the employee's scheduled starting time. The reason for tardiness and the expected time of arrival must be indicated to the Department Head or supervisor.

4.1.2 Unscheduled Absences: An employee who is unable to report to work must personally notify the appropriate Department Head or supervisor as soon as possible **before** the employee's scheduled starting time. The employee must speak directly with the Department Head or supervisor, unless the Department Head or supervisor authorizes the use of an answering device for this purpose, indicating the reason for the absence and when the employee expects to return to work. Asking another person to call in on the employee's behalf is not permitted. Notification requirements may be waived in cases of emergency.

An employee who has frequent unscheduled absences may be required to provide documentation of the reason for any future absences.

4.1.3 Unexcused Absences: Notification of an absence to the Department Head or supervisor does not automatically mean the absence is authorized. Any time off from work that is without approval of the appropriate Department Head or supervisor is considered an unexcused absence. An unexcused absence is without pay and may result in disciplinary action, up to and including termination.

4.1.4 Daily Notification: In the event an employee is unable to report to work, the employee must notify the appropriate Department Head or supervisor **each** day of the absence and state the reason for the absence. In the event the absence was pre-authorized, this requirement will be waived.

4.1.5 Early Departure: In the event an employee must leave work during the workday, the employee must notify the appropriate Department Head or supervisor prior to leaving.

4.2 Jury Duty Leave

4.2.1 Federal Jury Duty: A full-time employee who is required to serve on Federal jury duty, as certified by the Clerk of the Court, will be paid the difference between the employee's regular daily rate of pay and jury duty pay.

4.2.2 State or Local Jury Duty: In the event a full-time employee or part-time employee is required to serve on jury duty on a day the employee is scheduled to work, the employee will receive a leave of absence without loss of pay or leave credits. The employee is obligated to notify the Commissioner of Jurors that the Town is paying the employee for lost time worked during jury duty. A temporary or seasonal employee **will not** receive paid jury duty leave, however, such employee will be given time off for jury duty.

4.2.3 Notification of Jury Duty: When an employee receives notice to report for jury duty, the employee must immediately submit a copy of the notice to the appropriate Department Head.

4.2.4 Return to Duty: In the event the employee is released from jury duty on a given day and there are two or more hours remaining in the employee's scheduled workday, the employee must report to work.

4.3 Family and Medical Leave Policy

4.3.1 Statement of Compliance: The Town of Rhinebeck complies with the provisions of the Family and Medical Leave Act (**FMLA**). However, the Town of Rhinebeck currently does not employ fifty or more employees who work twenty or more calendar workweeks per year. Therefore, Town employees are not presently eligible for leave under FMLA.

4.3.2 Leaves of Absence: The Town of Rhinebeck Family and Medical Leave Policy (**FMLP**) allows an eligible employee to take a leave of absence for a maximum of twelve workweeks (defined by the employee's normal workweek) in any twelve month period for certain family and medical reasons (defined in 4.3.3 below). The twelve-month period is a rolling period measured backward from the date an employee uses any FMLP leave. At the conclusion of the leave of absence, the employee will be restored to the position the employee held when the leave began or to an equivalent position with equivalent benefits, pay, and working conditions, provided the employee returns to work immediately following such leave.

4.3.3 Types of Unpaid Leave: An eligible employee will receive an unpaid leave under the following circumstances:

- **Sick Leave of Absence** – An employee who is unable to work because of a serious health condition or disability may be granted a sick leave of absence. This type of leave covers disabilities caused by pregnancy, childbirth, or other related medical conditions. The Town requires certification of an employee's need for sick leave, both before the leave begins and on a periodic basis thereafter, by the employee's health care provider.

In addition to leave provided under this policy, an employee may be eligible for a leave of absence pursuant to Civil Service Law Section 71. Section 71 provides that covered employees shall be entitled to a leave of absence for at least one cumulative year (unless found to be permanently disabled) when disabled due to an occupational injury or disease as defined in the Workers' Compensation Law. This leave runs concurrently with the designated Family and Medical Leave. Employee should consult with the Office of the Town Supervisor for further details regarding this provision.

- **Parental Leave of Absence** – Female employees, when not disabled by pregnancy or childbirth (see above), and male employees may be granted a parental leave of absence to care for a child upon birth or upon placement for adoption or foster care.
- **Family Care Leave of Absence** – An employee may be granted a family-care leave of absence for the purpose of caring for a child, spouse, domestic partner, or parent who has a serious health condition. The Town requires certification of the family member's serious health condition, both before the leave begins and on a periodic basis, by the family member's health care provider.

4.3.4 Eligibility: To be eligible for an unpaid leave of absence under FMLP, an employee must meet the following requirements:

- The employee must have completed at least one year of full-time, continuous service during the previous fifty-two weeks prior to the date leave commences;
- Spouses and Domestic Partners who both work for the Town of Rhinebeck are allowed a combined maximum of twelve workweeks of leave for the birth or care of a newborn child, adoption or foster care of a child and to care for such newly placed child, or the serious health condition of a child, spouse or parent, during any twelve month period.

4.3.5 Definitions: The following terms are fully defined in the Federal Regulations on the Family and Medical Leave Act, 29 CFR Part 825. For the purpose of this FMLP, the following definitions will apply:

- **Serious Health Condition** will mean an illness, injury, impairment, or physical or mental condition that involves inpatient care in a hospital, hospice, or residential medical care facility including any period of incapacity, or any subsequent treatment in connection with such inpatient care, or continuing treatment by a health care provider, including, but not limited to:

A period of incapacity of more than three consecutive calendar days that also involves continuing treatment by a health care provider;

A period of incapacity due to pregnancy or prenatal care;

A period of incapacity or treatment for such incapacity due to a chronic serious health condition;

A period of incapacity which is permanent or long-term due to a condition for which treatment may not be effective; or

A period of absence to receive multiple treatments, including any period of recovery, by a health care provider, or by a provider of health care services under orders of or on referral by a health care provider, for restorative surgery after an accident or other injury or for a condition that would likely result in a period of incapacity of more than three consecutive calendar days in the absence of medical intervention or treatment.

- **Health Care Provider** will mean and refer to a doctor of medicine or osteopathy who is authorized to practice medicine or surgery by the state in which the doctor practices; **or** any other person defined in the FMLA regulations capable of providing health care services.

Family Member will mean and refer to:

Spouse - husband or wife as defined or recognized under State law for purpose of marriage;

Domestic Partner - as defined or recognized by guidelines used by the State of New York for purpose of similar employee benefits;

Parent - biological parent or an individual who stands or stood in *loco parentis* to an employee when the employee was a son or daughter as defined in directly below. This term does not include an employee's parents "in law";

Child - biological, adopted or foster child, a stepchild, a legal ward, or a child of a person standing in *loco parentis*, who is either under age eighteen, or age eighteen or older and "incapable of self-care because of a mental or physical disability". Persons who are "*in loco parentis*" include those with day-to-day responsibilities to care for and financially support a child or, in the case of an employee, who had such responsibility for the employee when the employee was a child. A biological or legal relationship is not necessary.

4.3.6 Notification Requirements: Unless there are unusual circumstances, such as a sudden serious illness, the employee must give notice, in writing, to the Town Supervisor at least thirty calendar days prior to the commencement date of the unpaid leave. The employee must complete the **Leave of Absence Request Form** and submit the form to the Town Supervisor for review.

4.3.7 Status Reports: The employee must update the Town Supervisor on a weekly basis as to the employee's status and intent to return to work.

4.3.8 Medical Certification: The employee must produce a medical certification issued by a health care provider which supports the need for a leave under this policy. When required, the employee must provide a copy before the leave begins, or if the leave was unforeseeable, within fifteen calendar days from the date the certification was requested. Failure to submit medical certification may jeopardize the employee's eligibility for an unpaid leave of absence and/or the ability to return to work. The medical certification must include:

- The date the medical condition began;
- The probable duration of the medical condition;
- Pertinent medical facts; and,
- An assertion that the employee is unable to perform the employee's essential job functions or that the employee is needed to care for a family member for a specified period of time.

The Town may request a second opinion by another health care provider. The Town will pay for the second opinion. In the event a conflict occurs between the first and second opinion, the Town Supervisor may, again at the Town's expense, obtain a third opinion from a health care provider approved jointly by the Town Supervisor and the employee. This third opinion will be final and binding.

4.3.9 Leave for the Birth, Adoption or Foster Care Placement of a Child: Leave for the birth of a child or the placement of a child for adoption or foster care must be taken within twelve months from the date of the birth or placement.

An employee must produce proper certification from the appropriate agency for an unpaid leave for the adoption or foster care of a child.

4.3.10 Employment Restrictions During Leave of Absence: While on an approved unpaid leave, the employee may not be employed by another entity during the same hours that the employee was normally scheduled to work for the Town of Rhinebeck.

4.3.11 Use of Accrued Paid Leave Credits: An employee taking leave for the **birth, adoption or foster placement of a child or to care for a child, spouse, domestic partner, or parent with a serious health condition** must first use all personal leave credits and then all vacation leave credits which will be included in the maximum twelve weeks of leave. The substitution of paid leave for unpaid FMLP leave does not extend the twelve-week period.

For leaves taken due to the **employee's own serious health condition**, the employee must first use all sick leave credits, then all personal leave credits, and then all vacation leave credits, which will be included in the maximum twelve-week period. However, in the event that the paid leave credits are greater than the maximum twelve-week period, an employee may use paid leave credits to extend the leave of absence beyond the twelve-week period, up to a maximum of one year. If, after the completion of the one-year leave of absence, the employee is medically unable to return to work (as determined by a health care provider) and the employee has leave credits remaining, the Town Board may authorize an extension of the employee's leave of absence until such benefits are exhausted. However, job reinstatement beyond the one-year leave of absence is not automatic and will be dependent upon job availability, in accordance with Civil Service Law Sections 71, 72 and 73, as applicable, and the Rules for the Classified Civil Service of Dutchess County.

4.3.12 Accrual of Paid Leave Credits While On Unpaid Leave: An employee will not accumulate vacation or sick leave while on an unpaid leave. An employee will not receive holiday pay for any holidays that may occur while on an unpaid leave of absence.

4.3.13 Medical Insurance: During the unpaid leave, an employee's eligibility status for medical insurance coverage will not change. All employee contributions must be paid on a timely basis in order to maintain the continuous coverage of benefits. Contributions will be at the same level as if the employee was working. Coverage will cease if payments are not made within a thirty-calendar day grace period of the due date. Premium payments or policy coverage are subject to change. In the event the employee fails to return to work after the unpaid leave of absence period has expired, the Town may recover the premium that it paid for maintaining the coverage during any period of the unpaid leave except for the following circumstances:

The continuation, recurrence, or onset of a serious health condition of the employee or the employee's eligible family member with proper medical certification; or,

Circumstances beyond the employee's control, such as: parent chooses to stay home with a newborn child who has a serious health condition; employee's spouse or domestic partner is unexpectedly transferred to a job location more than 75 miles from the employee's work-site; the employee is laid off while on leave.

Note: In the event the employee has accumulated paid leave credits that extend beyond the twelve-week period, the employee should refer to section in the Town's *Compensation and Benefits Manual* pertaining to Short Term Disability or Workers' Compensation regarding additional medical insurance coverage provisions.

4.3.14 Workers' Compensation and Short-Term Disability Benefits: Leaves taken under the Workers' Compensation Law or the Town's Short-Term Disability Policy may invoke the FMLP if the employee meets the eligibility criteria outlined in the eligibility section and the Town designates such leave as FMLP leave and properly notifies the employee of such designation.

In addition to leave provided under the Town's Family and Medical Leave Policy, employees may be eligible for a leave of absence pursuant to Civil Service Law Section 71. Section 71 provides that covered employees shall be entitled to a leave of absence for at least one cumulative year (unless found to be permanently disabled) when disabled due to an occupational injury or disease as defined in the Workers' Compensation Law. This leave runs concurrently with the designated Family and Medical Leave. Employees should consult with the Town Supervisor for further details regarding this provision.

4.3.15 Return to Work: The following conditions for returning to work will apply:

Medical Statement - Before resuming employment, an employee must submit a statement from the employee's health care provider indicating that the employee is able to return to work either with or without restrictions.

Early Return - An employee who intends to return to work earlier than anticipated must notify the Town Supervisor at least five business days prior to the date the employee is able to return.

No Return - An employee who fails to return from an FMLP leave of absence at the scheduled expiration date without giving proper notice or receiving proper authorization shall be conclusively presumed to have voluntarily resigned from employment.

4.4 Unpaid Leaves of Absence

4.4.1 General Terms: Absences taken beyond an employee's leave accruals shall be considered unauthorized (AWOL) unless prior written approval has been given from the Town Board. Subject to the approval of the Town Board, unpaid leaves of absence may be available to an employee for personal reasons including, but not limited to, family responsibilities and education.

4.4.2 Request for Unpaid Leave: The employee must submit such request and the reasons for the leave, in writing, to the Town Supervisor as soon as reasonably possible prior to planned commencement of the requested leave. The Town Board has sole discretion in approving such leave.

4.4.3 Return to Work: An employee who fails to return from an unpaid leave of absence at the scheduled expiration date without giving proper notice or receiving proper authorization shall be conclusively presumed to have voluntarily resigned from employment.

An employee who believes an accommodation is needed to perform the essential functions of the employee's job should contact the Town Supervisor.

5.1.3 Pre-Employment Inquiries: Pre-employment inquiries are made only regarding an applicant's ability to perform the duties of the position and not any disabling condition. Pre-employment physical exams will only be requested when in compliance with the law.

5.1.4 Complaint Procedure: An employee who believes that the actions or words of an employee or non-employee have violated this policy should immediately report the behavior to the Town Supervisor. Refer to Section 5.5 - Complaint Procedure and Investigations for information regarding how to file a complaint and the Town's investigation procedures.

The Town does not unlawfully discriminate on the basis of a person's race, color, national origin, religion, sex, sexual orientation, gender identity or expression, age, marital status, pregnancy, veteran status, disability, genetic predisposition or carrier status, arrest/conviction record, or any other protected class or status. Refer to Section 5.5 - Complaint Procedure and Investigations for information regarding how to file a complaint and the Town's investigation procedures.

5.2.3 Application of Policy: This policy is for Town use only and does not apply in any criminal or civil proceeding. This policy shall not be construed as a creation of higher legal standard of safety or care in an evidential sense with respect to third party claims. Violations of this policy will only form the basis for Town administrative action. Violations of law will form the basis for civil and criminal sanctions in a recognized judicial setting.

5.3 Fair Treatment

5.3.1 Policy Statement: Town of Rhinebeck recognizes the rich diversity of its employees and the varying cultures, backgrounds, and experiences they each bring to the workplace. The Town is committed to maintaining and promoting a work environment where similarities and differences are respected and valued. The Town will not tolerate harassment or discrimination of any kind in the workplace.

5.3.2 Employee Responsibilities: An employee is expected to treat coworkers, customers, vendors, suppliers, and other non-employees that the employee comes in contact with on the job with fairness, dignity, and respect. The Town prohibits any form of discrimination, harassment, or other offensive behavior targeted towards an individual based on legally protected factors, including but not limited to: race, religion, color, sex, age, national origin, marital status, pregnancy, veteran status, arrest/criminal record, disability, genetic predisposition or carrier status, or sexual orientation.

5.4 Sexual Harassment

5.4.1 Policy Statement: The Town of Rhinebeck is committed to maintaining a professional work environment where employees and non-employees are free from any form of harassment, including sexual harassment. The Town takes all necessary measures to prevent sexual harassment in the workplace or, in the event it occurs, to stop the conduct immediately. The complaint procedure in Section 5.5 is intended to provide an effective mechanism for reporting and resolving promptly, complaints of sexual harassment without any risk of repercussion to a complaining employee or appointee for filing a complaint of sexual harassment in good faith.

5.4.2 Applicability of Policy: This policy applies to all Town employees, appointees, and Elected Officials regardless of supervisory level. Depending on the extent of the Town's exercise of control, this policy may be applied to the conduct of non-Town employees with respect to sexual harassment of Town employees and appointees in the workplace.

5.4.3 Supervisory Responsibility: Department Heads and supervisors are responsible for providing a work environment that is free from unsolicited, unwelcome, and intimidating behavior, including behavior of a sexual nature. A Department Head or supervisor must therefore take immediate and appropriate corrective action in the event the Department Head or supervisor is a witness to, or becomes aware of, any violations of this policy. The Department Head or supervisor is also responsible for immediately notifying the Town Supervisor of any policy violations.

5.4.4 Definition of Sexual Harassment: The Equal Employment Opportunity Commission (EEOC) defines sexual harassment as unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature to an individual of the same or opposite when:

Submission to such conduct is made either explicitly or implicitly a term or condition of an individual's employment; or

Submission to, or rejection of, such conduct by an individual is used as the basis for employment decisions (e.g., promotion, termination, pay increase) affecting that individual; or

Such conduct has the purpose or effect of unreasonably interfering with an individual's work performance or creating an intimidating, hostile, or offensive working environment.

Further, sexual harassment refers to behavior that is not welcome, that is personally and objectively offensive, that fails to respect the rights of others, that lowers morale and that, therefore, interferes with an employee's or appointee's work performance and/or effectiveness or creates an intimidating, hostile or offensive working environment. Exposure to such conduct that serves to alter the terms and conditions of employment is prohibited by this policy and state and federal law.

5.4.5 Forms of Sexual Harassment: Unprofessional, inappropriate, or offensive conduct committed by a Department Head, supervisor, coworker, appointee, vendor, supplier, visitor, or any other non-employee is prohibited, even if the conduct is welcome by the recipient(s).
